**Hands off Fallboard Lock:** Handsomely constructed fallboard lock with self-contained locking device. Virtually unbreakable, made of high-density plastic. Lock has a 6" opening. Black in color, lined with black felt to protect your piano's finish. complete with built-in MasterLock and 2 keys.....\$100.

**Grand Piano String Cover:** Each cover is custom fitted. These covers keep the inside of the piano clean and may help to keep moisture from corroding the strings. Using this and a humidity control system have proven to be two of the best financial investments a piano owner can make. ....\$75.

**Quiet Keys Universal mute:** a mute for vertical pianos mounting over two tuning pins, fitted to your piano. When felt string is lowered between hammers and strings, volume is reduced approx. 75%. Quiet Keys can be easily removed for tuning without affecting it. Installed.....\$130.

**TouchRail** the solution for heavy piano touch weight. The TouchRail easily replaces a grand piano's key stop rail to provide a precise level of touch weight reduction to each key. Installed....\$550.

**Grand Piano Soundboard Cleaners:** small squeegees allow you to quickly reach through the strings of a grand piano to dust the soundboard. This set includes three sizes to work in different areas of the soundboard:

Small: — 2 1/2" blade with 5" handle

Medium — 3 3/4" blade with 6" handle

Large — 3 3/4" blade with 22" handle

Set of three.....\$48.

**Lights:** Grand or upright from the *House of Troy*. You must see these lights to fully appreciate the care and attention the manufacturer gives to the smallest of details. Standing and clamp-on lights are available in black, satin brass or polished brass finish. Call for prices.
