## Additional Products for your piano:

---

**Acrylic Caster Cups:** Beautiful clear acrylic caster cups  
4 1/2" outer diameter 2 3/4" inner diameter...set of 3.....\$45.00

**Hardwood Caster Cups:** Beautiful hardwood caster cups available in ebony, mahogany and walnut  
3.5" outer diameter 1 3/4" inner diameter....set of 3.....\$27.00  
4.5" outer diameter 2 3/4" inner diameter....set of 3.....\$52.00  
5.5" outer diameter 3 3/8" inner diameter....set of 3.....\$76.00

**Hands off Fallboard Lock:** Handsomely constructed fallboard lock with self-contained locking device. Virtually unbreakable, made of high-density plastic. Lock has a 6" opening. Black in color, lined with black felt to protect your piano's finish. Complete with built-in MasterLock and 2 Keys.....\$100.00

**Grand Piano String Cover:** Each cover is custom fitted. These covers keep the inside of the piano clean and may help to keep moisture from corroding the strings. Using this and a humidity control system have proven to be two of the best financial investments a piano owner can make. ....\$75.00

**Sound baffles** are fitted to your piano, between the beams to reduce volume. The top foam pad rests on the plate in a grand piano without touching the strings. Using these products together, reduces the volume by about half, but does not change the character of the sound and retain a true "piano sound" quality.

Foam baffles for Upright, installed.....\$150.00  
Foam baffles for Grand up to 7', installed.....\$200.00  
Foam baffles for Grand over 7', installed.....\$270.00

**Grand Piano Soundboard Cleaners:** small squeegees allow you to quickly reach through the strings of a grand piano to dust the soundboard. This set includes three sizes to work in different areas of the soundboard:

Small: — 2 1/2" blade with 5" handle  
Medium — 3 3/4" blade with 6" handle  
Large — 3 3/4" blade with 22" handle  
Set of three.....\$48.00

**Lights:** Grand or upright from the *House of Troy*. You must see these lights to fully appreciate the care and attention the manufacturer gives to the smallest of details. Standing and clamp-on lights are available in black, satin brass or polished brass finish. Call for prices.
